

Friends and Family - February

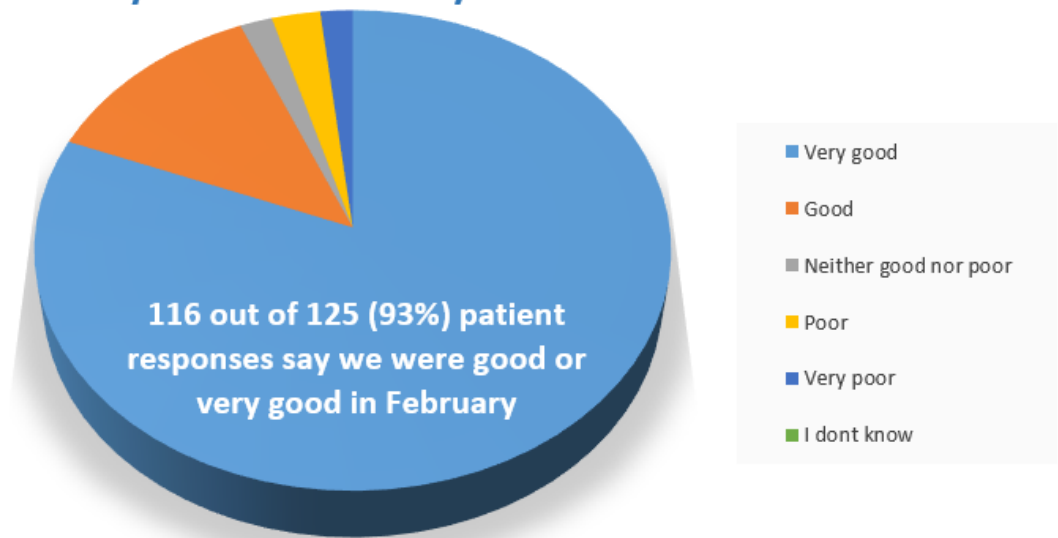

Our February Friends and Family results are now in!

Patients are asked via SMS to rate the service they receive after having an appointment at the Practice.

116 out of 125 (93%) of patients who responded say we were good or very good!

THANK YOU!

Our February Friends and Family Test results are in!

You can also leave us feedback by scanning the QR code to the right on your smart phone, or by completing a paper version located in Reception.
